### READ & PUBLISH GUIDE FOR AUTHORS

AIP Publishing features a seamless process to submit an article for open access (OA) publishing as part of an institutional Read & Publish agreement. Just follow these simple steps.

After logging in, click "author tasks" then select "submit manuscript". Alternatively, select "use classic desktop" in the upper right corner.

	About the Journal Preparing Your Manuscript Index-Term Keywords Contact Editorial Office
About the Journal Preparing Your Manuscript Contact Editorial Office Staff Resources	
Use Classic Desktop Pending Actions Author Tasks Staff Tasks AIP Production View Tasks General Tasks Author Tasks	Author Tasks How to Submit Submit Manuscrip General Tasks Modify Unavailability Dates Modify Prolicie/Bassword View/Modify My Policies Log Out
If you do not select "use classic desktop," the screenshot below will be presented where you can select "submit new manuscript".	If you select "use classic desktop," the display will change, as shown below.      Index the Journal Vegaring Your Manuscript Index Term Keywords Contact Editorial Office      New Manuscript Submission to Physics of Fluids     (For detailed information, see How to Submit)      If you would like to submit the addiversion for your manuscript, please enter the addiv ID (e. 0707:2333):     Crose the appropriate manuscript type:     Article     Comment:     Response     Erratum     Letter
3 Next, select the type of manuscript you are submitting.	Cardinau

	Author Information Please enter the information requested below. You can enter each author's information individually or use Email Lookup to search our database to locate existing accounts. Required fields are marked with an asterisk (*)						
	If author fields are minimized, use the "Edit" link to edit or add additional information for each author.						
	Please enter the names of all authors in the same order in which they appear in the manuscript. To reorder authors, place your cursor over the "Author #" and use drag and drop to move the author to the proper position.						
	Email Lookup You may provide a list of email addresses in the text box below to see if there is a matching account for the author. Separate each email address by a comma or semicolon. You will have a chance to review and select which author accounts to include before their information is populated in the Authors section below.
